

International Conference on Artificial Intelligence and Law ICAAIL 2009 (Barcelona)

Themen und Trends

A Review

Anton Geist, 22.6.2009
Wiener Zentrum für Rechtsinformatik
Vienna Centre for Computers and Law

Themen

Conference Topics

- **Juristisches Argumentieren & Schließen**
Legal Argumentation & Legal Reasoning
- **Informationsextraktion & Textanalyse**
Information Extraction & Text Analysis
- **E-Discovery, Unterstützung bei Konfliktbeilegung und Entscheidungsfindung**
E-Discovery, Support for Dispute Resolution and Decision-Making

Beobachtungen

Observations 1/2

- **Es mangelt an Jurist(inne)n.**
There are too few lawyers involved.
- **Es mangelt an Praxisrelevanz.**
There is too little practical impact.
- **Die juristische Praxis interessiert sich nur für wenige Konferenzthemen.**
Most conference topics are only of little interest to the general law community.

Beobachtungen

Observations 2/2

- Einzelne Themen haben großes Praxis- sowie Drittmittel-Potential.

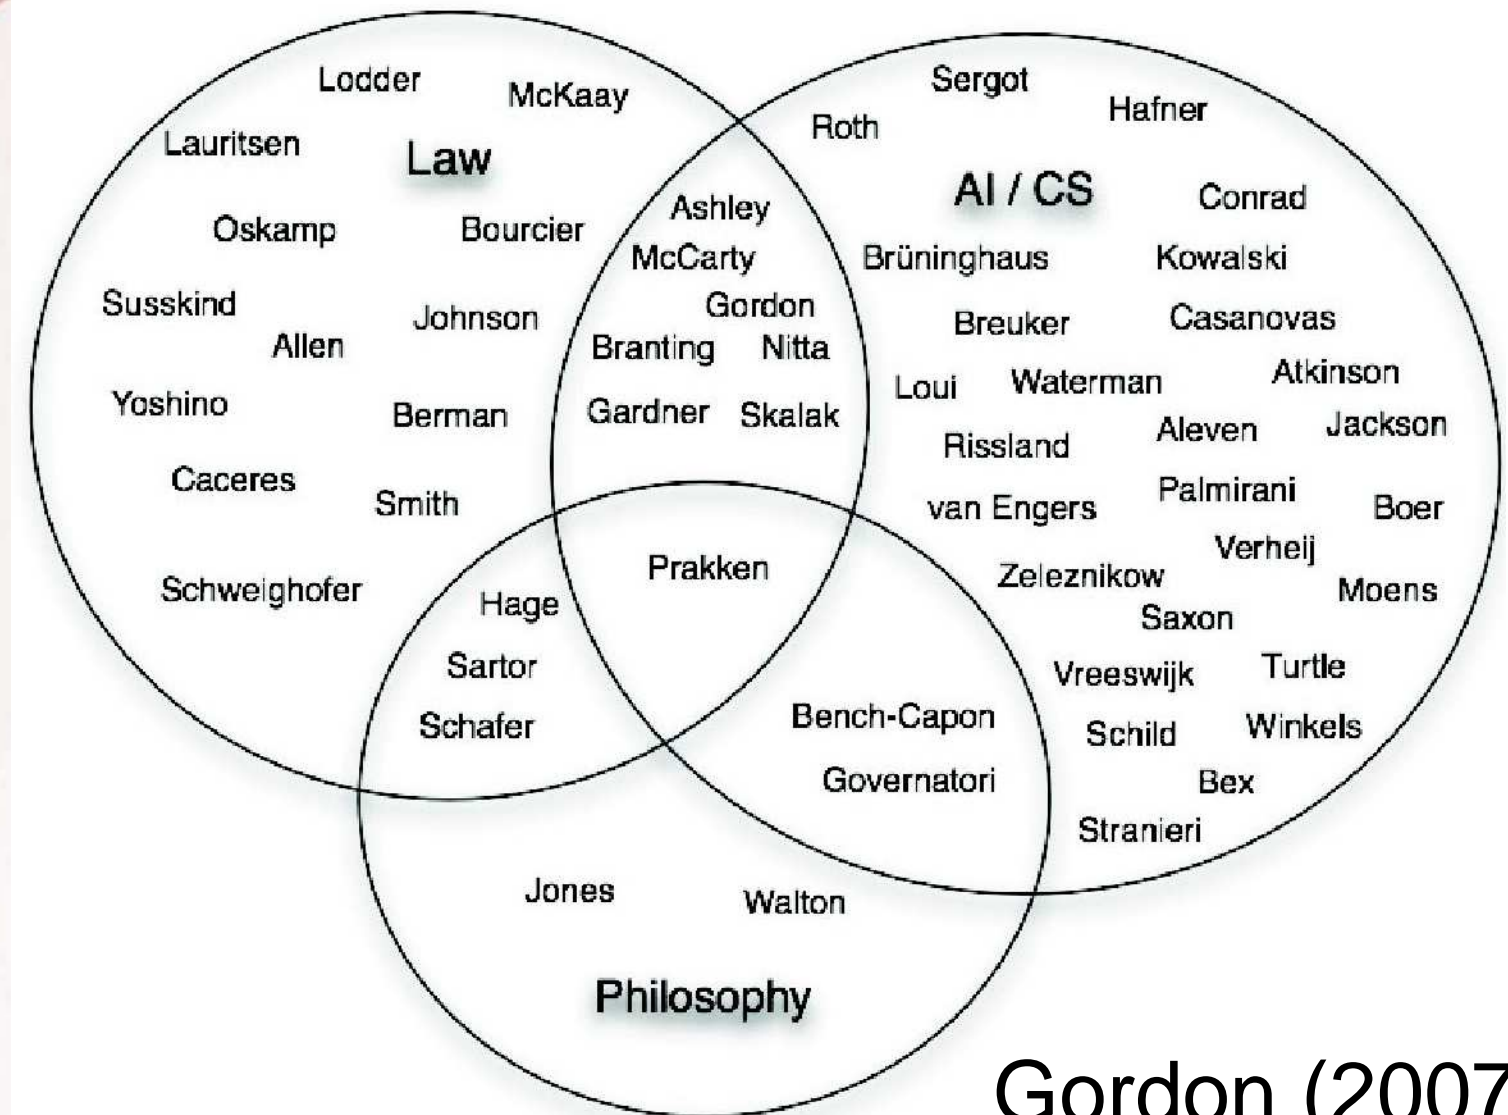

Some topics have great potential for practical impact and funding.

- Die angeführten potentiellen Probleme werden als solche erkannt.

The community and the organizers are well aware of the mentioned potential issues.
